### Installing the remote control battery

**To install the remote control battery:**

- 1 Remove the battery compartment cover on the back of the remote control.
- 2 Insert one AAA battery into the battery compartment. Make sure that the + and - on the battery align with the + and - in the battery compartment.

- 3 Replace the battery compartment cover.

- 3 Press  $\wedge$  or  $\vee$  to select **Canadian Rating**, then press  $>$  or  $\odot$ .
- 4 Press  $\wedge$  or  $\vee$  to select **English** or **French**, then press  $>$  or  $\odot$ .
- 5 Select **English** for Canadian programs that have English ratings. Select **French** for Canadian programs that have French ratings.
- 6 Select a rating, then press  $\odot$ .

For English ratings:

- **C**—Programs intended for children under 8.
- **C8+**—Programs generally considered acceptable for children 8 and over.
- **G**—General audience.
- **PG**—Parental guidance.
- **14+**—Programs that contains themes or content which may not be suitable for viewers under 14.
- **18+**—Adult program.

For French ratings:

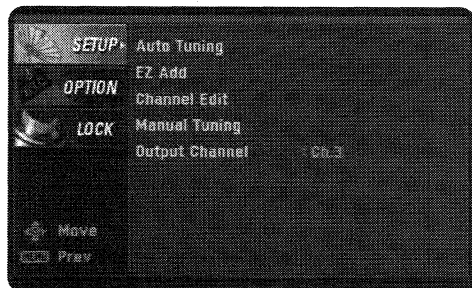

- **G**—General programs intended for audience of all ages.
- **8 ans+**—Not recommended for young children.
- **13 ans+**—Programs may not be suitable for children under 13.
- **16 ans+**—Programs not suitable for children under the age of 16.
- **18 ans+**—Programs restricted to adults.

### Downloading rating information

You can update rating information if the station downloadable rating information.

#### To download rating information:

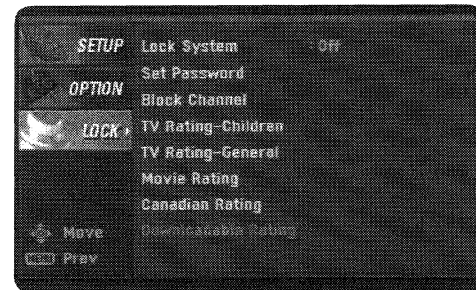

- 1 Press **MENU**. The **SETUP** menu opens.

- 2 Press  $\wedge$  or  $\vee$  to select **LOCK**, then press  $>$  or  $\odot$ . The **LOCK** menu opens.

#### Note

You must enter the password to open the Lock menu. The default password is **7777**.

- 3 Press  $\wedge$  or  $\vee$  to select **Downloadable Rating**, then press  $>$  or  $\odot$ .
- 4 Press  $\wedge$  or  $\vee$  to select a rating title or TV rating, then press  $>$  or  $\odot$ .
- 5 Press  $\wedge$  or  $\vee$  to select a rating, then press  $\odot$ .

#### Note

If information is not downloaded from the TV station, the Downloadable Rating option is not available. Rating information is automatically downloaded while watching DTV channels. It may take several seconds. The Downloadable Rating option is available for use after rating information is downloaded from the TV station. However, depending on the information from the TV station, it may not be available for use. Rating levels differ depending on the broadcasting station. The default option name and Downloadable Rating changes depending on the downloaded information. The on-screen display for Downloadable Rating options appear in the language that the TV station sends. The rating titles (for example Humor) and TV ratings (for example MH, H, or VH) may differ depending on the TV station.

### Programming the remote control

You can control the power button on the TV with the supplied remote control. To do this, you need to program the remote control.

#### To program the remote control:

- 1 Determine if the TV is a model that can be controlled by the remote control. See "Controllable TV brands" on page 14.
- 2 Turn on the TV.
- 3 While you press and hold **TV POWER** on the remote control, press **CH  $\wedge$**  or **CH  $\vee$**  one or more times until the TV turns off. Each time you press one of these buttons, the remote control sends a manufacturer code (between 1 and 45) to the TV.
