

Introduction

Wireless Remote Control

NOTE

❖ Before using the remote control for the first time, remove the transparent insulation tape. See page 10 for battery installation.

1	 Power	Refer to the "Power On/Off the Projector" section on pages 12-13.
2	Picture Mode	Select the Picture mode from Presentation, Movie, sRGB, Game and User.
3	Computer Source	Press "Computer" to choose Computer connector.
4	Freeze	Freeze To pause the screen image. Press again to resume the screen image.

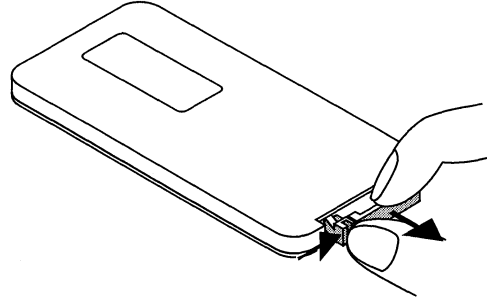

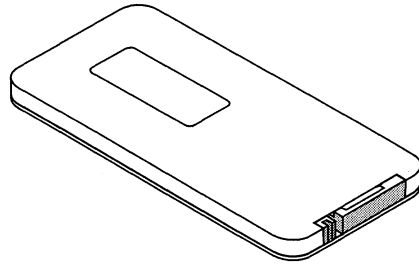

Introduction

5	Keystone Correction	Adjust the image to compensate for distortion caused by tilting the projector (vertical \pm 40 degrees).
6	Source	Press "Source" to choose RGB, Component, S-Video, Composite and HDTV sources.
7	Menu	Press "Menu" to launch the Onscreen display (OSD), back to the top level of OSD for the OSD main menu operation
8	AV-Mute	Momentarily turn off/on the audio and video.
9	Reset	Change the adjustments and settings to the factory default value.
10	Video Source	Press "Video" to choose Video connector.
11	S-Video Source	Press "S-Video" to choose S-Video connector.
12	Magnify	Zoom the projector display in or out. Use "Magnify", not ◀ or ▶
13	Enter	Confirm your section of items in sub menu operation.
14	Auto Adjust	Automatically synchronize the projector to the input source.
15	Four Directional Select Keys	Use ▲ or ▼ or ◀ or ▶ to select items or make adjustments to your selection.
16	Source Lock	Press "Source Lock" to lock specified connection port; press this again to unlock.
17	Volume +/-	Increase/decrease speaker volume.

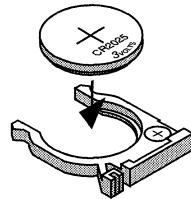

Introduction

Battery Installation

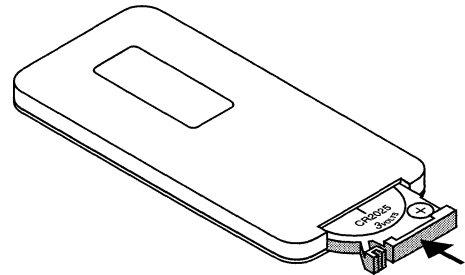

1. Press firmly and slide the battery cover off.

2. Remove the old Lithium coin cell and install new one (CR2025). Ensure that the side with a "+" is facing up.

3. Put the cover back.

Note

❖ Keep the coin cell battery out of reach of children so as not to allow them to swallow the cell battery.

Remote Control Precautions

- Handle the remote control carefully.
- If the remote control gets wet, wipe it dry immediately.
- Avoid excessive heat and humidity.
- Do not place the battery upside down.

⚠ CAUTION:

Danger of explosion if battery is incorrectly replaced.
Replace only with the same or equivalent type recommended by the manufacturer.
Dispose of used batteries according to your local regulations.

⚠ CAUTION:

Use the remote control away from audio tapes, video tapes, credit cards, hard disk drive of the computer, or cardiac pacemakers.
The remote control contains a magnet that may affect or damage them.
