# Unpacking

## Accessories

Check for the supplied accessories below.

## Preparing the Remote Control

### Install Batteries in the Remote Control

- Open the battery cover on the back of the remote control.
- Insert two AAA batteries. Make sure that the polarities (+ and -) are aligned correctly.
- Close the battery cover.

### If the remote does not operate properly:

- Check the polarity + - of the batteries (Dry-Cell)
- Check if the batteries are drained.
- Check if remote sensor is blocked by obstacles.
- Check if there is any fluorescent lighting nearby.

Dispose of batteries according to local environmental regulations. Do not put them in the household trash.

## Setting the Remote Control

You can control certain functions of your TV with this remote control.

Control function buttons include : **TV POWER**, **CH ^ v**, **VOL + -**, **TV MUTE**, **TV INPUT SEL.** button.

**To determine whether your television is compatible, follow the instructions below.**

1. Switch your television on.
2. Point the remote control towards the television.
3. Press and hold the **TV POWER** button and enter the two-figure code corresponding to the brand of your television, by pressing the appropriate number buttons. (see the next page for the code list).

**Result:** If your television is compatible with the remote control, it will switch off.

It is now programmed to operate with the remote control.

NOTE

- If several codes are indicated for your television brand, try each one in turn until you find one that works.
- If you replace the remote control's batteries, you must set the brand code again.

You can then control the television using the following buttons after pressing the **TV** button.

Button	Function
TV POWER	Used to switch the television on and off.
TV INPUT SEL.	Used to select an external source.
VOL (+ -)	Used to adjust the volume of the television.
CH ( ^ v )	Used to select the desired channel.
TV MUTE	Used to toggle the sound on and off.

NOTE

- The functions listed above will not necessarily work on all televisions. If you encounter problems, operate the television directly.
